- DCH has 800 doses of annual Flu Vaccine for un- and under-insured residents
- DCH attending Covid Vaccine planning meetings with DOH and Providence
- DCH 'Health Space' training completed for health data management
- DCH and BMAC continue to coordinate community mask distributions
- DCH increased staff capacity for case monitoring and contact tracing to be in compliance with variance applications
- DCH continues work surrounding behavioral health (mental health, substance use) and the coronavirus
- Providence Urgent Care Drive-thru testing operational for those with between 7am-6pm daily
- Walla Walla County Unified Command holding Key Stakeholder calls at 9 am Monday and Thursday
- DCH CD call flu, respiratory illness, COVID-19; next call will be Tuesday, November 17th
- DCH attending M-W-F DOH-Epi to Epi call for LHJ's
- DCH WIC Nutrition benefits continuing to ensure food security for families; completed by telephone consulting and online benefit issuance

EMERGENCY MANAGEMENT:

- The Walla Walla County Emergency Operations Center (EOC) has downgraded to Level 2, Limited Operations, effective 05/28/2020 as of 0800.

SITUATION REPORT #124

- As of 03/24/2020 Walla Walla County Emergency Management continues to work remotely in order to limit exposure that might affect 911 and dispatch personnel who share the facility.
- The Walla Walla County Commissioners signed a Declaration of Emergency, effective 3/13/20 at 2 PM.
- The City of Walla Walla signed a Declaration of Emergency, effective 3/17/20, extended on 4/8/20.
- The City of College Place signed a Declaration of Emergency, effective 3/17/20, extended 6/9/20.
- The City of Waitsburg signed a Declaration of Emergency, effective 3/18/20.
- The Port of Walla Walla signed a Declaration of Emergency, effective 3/19/20, extended 5/28/20.
- The City of Prescott signed a Declaration of Emergency Effective 3/19/20.
- Walla Walla County remains in modified operations/access during regular business to certain county departments.
- Remains in a Unified Command with Walla Walla County Department of Community Health. Unified Command was established 3/13/20 at 2 PM.
- Washington State Emergency Management is now requesting that all Tier 1 priorities be consolidated into a single order. Long Term Care facilities are now considered to be part of the Tier 1 priority, with further changes expected. Tier 2-4 priorities will be consolidated in a 2nd request. Next request period will be for the week beginning 11/16/2020
- PPE tier allocation is changed beginning June 5, 2020, to allow Tier 1 requestors to build on hand supplies to levels sufficient for 14-21 days.

1. Outstanding Resource Requests

WA State Tracking Number	Request Date	Agency	Current Status
WA-2020102915632	10/29/20	Immediate need request for DOC Staffing	Accepted by ESF 8 Health and Medical Services
WA-20201128826	11/02/20	Tier 1 Consolidated PPE request	Accepted by Logistics

Thursday November 12, 2020

2. Effective Strategies and Successes

- Walla Walla County Department of Community Health (DCH) meetings with LTC/ALF/SNF community to stay connected and updated with open dialogue on COVID-19 status in WW Valley.
- Local Health Officer, Prosecuting Attorney and Local Emergency Response Coordinator completing Voluntary and Involuntary Isolation Orders specific to COVID-19.
- Maintain contact with media to keep the public informed.
- Unified Command calls providing regular communication and collaboration.
- Frequent messaging on Facebook, including Spanish-language posts.

SITUATION REPORT #124

- Providence St Mary Medical Center (PSMMC) Population Health team monitoring PUIs and cases, their awareness of community happenings.
- Blue Mountain Action Council (BMAC) food bank distribution in collaboration with Washington National Guard (WNG).
- Southgate Campus Acute Care wing setup.
- Addressing homeless needs for isolation and quarantine during pandemic.
- DCH Environmental Health team consults for prevention planning for essential businesses.
- Controlled access to WalMart, Home Depot, Albertson's and Safeway.
- Procurement of PPE from Washington State Department of Corrections.
- Continued partnership with WNG.
- DCH virtual meetings with LTC/ALF/SNF community to stay connected and updated with open dialogue on COVID-19 status in WW Valley.
- Proactive work on PSA's and infographics with digital marketing company.
- Solid protocol established between Coroner's Office and PSMMC.
- Tyson compliance with DCH/L&I Essential Business Guidelines and testing of employees.
- Delivery of PPE supplies and test kits from UAC SEOC has enabled us to provide much needed protection to our whole community.
- Experience with annual flu immunization clinics and long history of working together gave us the ability to quickly put together a team for testing at the Tyson Plan. 1,290 Tyson employees tested with staff from PSMMC & DCH.
- Aggressive testing at long-term care facilities.
- Spanish-language PSA's on local Spanish-language radio stations.
- Approval of additional DCH positions and increased hours by the Board of County Commissioners.
- Media specific email and phone number established, the centralized PIO email/phone number is working well and is helping with coordination of interviews.
- Protocols developed by PSMMC to do surgeries for most compelling cases that were delayed.
- Volunteer staffing at DCH.
- DCH/PSMMC/Coroner/Consulate's Office worked together to support a local family with international funeral arrangements.
- PSMMC has done a great job of allocating resources, workers, and supplies for the patients under investigation awaiting results.
- DCH conversations with school districts on distance learning strategies and graduation planning.
- PSMMC tabletop exercise for activation of PSMMC's auxiliary hospital; well attended by community partners.
- Formation of business/economy reopening workgroup. Workgroup team meetings including townhall Q&A with local businesses; webinars to help educate businesses. Continued frequent meetings of the workgroup. Use of Chamber of Commerce website for posting documentation/guidance.
- Tour of PSMMC Alternate Care site, DCH isolation and quarantine sites, and Park Manor by DOH Med Surge Branch.
- DCYF, Whitman, and DCH debrief on activation of isolation and quarantine for Master's Ranch – West juveniles; successful collaboration.

SITUATION REPORT #124

- Approval of WWEM part-time temp position for logistics by the Board of County Commissioners.
- 1 nurse and 1 disease investigator on staff over the weekend as cases come in over the weekend.
- All of our cases to date are from a known exposure; we're not seeing community spread.
- Arrival of first delivery of masks for low-income population in time for Governor's face mask mandate (36,000 masks). Rapid distribution by Blue Mountain Action Council (BMAC) to nearly 30 agencies and on 6/30/20 at 4 locations in the community.
- With the assistance of DCH, PSMMC received Remdesivir.
- Reopening workgroup recommendation – though no longer required for businesses, a contact log is a good practice.
- Having COVID safety plans in place at businesses benefits successful response to positive employees, as seen recently at a local restaurant.
- City of College Place Hand sanitizer and mask drive-through distribution on 7/7/20 (300 vehicles) 7/9/20 (400 vehicles), and 8/25/20. Handout at their booth at Thursday Farmers Market.
- Meeting on 7/8/20 with DCH/WWEM/USFS/DNR to discuss preplanning for COVID testing, isolation and quarantine.
- Al fresco dining in Downtown Walla Walla and College Place are working well.
- CEPHEID rapid testing machine is now being fully utilized by PSMMC at full capacity.
- Planning for isolation and quarantine of wildland firefighters with use of space at Walla Walla Community College.
- DCH work with large Oregon employer to coordinate cases with Umatilla County; providing education and resources (Health Fair) for employees.
- Hand washing stations at several locations in Downtown Walla Walla.
- [Washington National Guard Title 32 extension through Christmas](#). WNG remain critical to local food bank operations.
- DCH received 36K cloth masks from GCACH (also received 24K KN95s) in August; giving them out at health fairs.
- Highest number of COVID patients at PSMMC since the beginning of the pandemic on 8/11/20, and yet the hospital wasn't overwhelmed.
- Health Fairs: Smith Frozen Foods (August 6), First Fruits (August 12), Tyson Fresh Meats (August 20), Valle Lindo Homes (August 27), Walla Walla River Packing (August 28), & Kiska Farms (September 1), education, masks, hand sanitizer and CDC fliers (Spanish and English) distributed with team from PSMMC & DCH.
- DCH agreement with Whitman College to use North Hall for isolation and quarantine extended until 10/31.
- DCH/Providence/FMC/WWC have aligned their response for population asking for medical note to not wear a mask (exception to required mask wearing); consistent info/guidance that they are not providing notes to patients.
- Community Roundtable discussions for school reopening planning (Cities of Walla Walla, College Place & Waitsburg); looking at effects on workplace, childcare, behavioral health held during the week of August 17 were well attended
- Department of Commerce Shelter Grant approved for the Sleep Center and purchase of a mobile unit to provide support around the county (2 or 3-year grant).

SITUATION REPORT #124

- 'Testing for Heroes' at PSMMC; employee and first responder antibody testing, initial figures show 60% participation by PSMMC employees.
- City of College Place door-to-door distribution of masks and disinfectant to businesses with the assistance of Chamber of Commerce.
- Slow trend downward in cases.
- Utilization of WNG for filling WEBEOC request for LTC weekly testing to comply with CMS guidelines.
- Work with Providence on future isolation & quarantine options.
- Whitman College success with students following mask wearing guidelines.
- [Veteran's Stand Down](#) on September 26th at VA Hospital.
- Whitman College extending agreement for use of North Hall for isolation and quarantine to the end of November.
- LTC reporting that WNG has provided 'amazing support' for COVID testing to meet CMS requirements.
- DCH has seen positive feedback on Facebook to posting of Halloween guidance.
- Today's report of 3% positivity rate; first time below 5% since July.
- Protocols for following positive antigen tests with PCR testing to confirm at LTC facilities.
- Drive thru flu vaccination clinic at Walla Walla High School on 10/14 for 5 – 18-year old students.
- Walla Walla County sales tax revenue for 2020 is unexpectedly greater than the same time last year. Good news for the budget.
- PSMMC/DCH drive through flu clinic on October 24. All doses were given out. (500 foundation, 35 DCH). Good turnout. Very favorable feedback from observers. Opportunity to examine logistics if location were used for COVID vaccination.
- DCH and PSMMC went to First Fruits on October 28th to administer 60 doses of flu vaccine. Because of the weather, some employees were out in the fields working and unavailable for vaccination. Despite this it was a good turn out and many reported receiving the flu shot for the first time this year.
- DCH webpage is now fully online and available to public, www.covidwwc.com/. The website offers dual-language accessibility with pages dedicated to Spanish language content.
- DCH Facebook in Spanish language is now fully operational: www.facebook.com/WWCDCHespanol
- DCH post about Community Spread reached 7800 this last week.
- DCH, LTC facilities, clinics and the hospital are maintaining great lines of communication in order to help manage patient care and avoid overwhelming the hospital.
- DCH was able to obtain BinaxNow test kits.
- Distribution of county funds/grants to local businesses.
- Family Medical Center Flu Clinic, November 2nd to November 5th, gave out 173 flu shots.
- SEOC did a great job filling WWEM's recent emergent PAPR order; very quick turnaround. (THANK YOU!)

3. Risks and challenges

- COVID-19 Cases
 - Total Confirmed Cases: 1668
 - ❖ Active: 440
 - Home Isolation: 422
 - Hospitalized: 18 (Walla Walla County residents – 12, Out of County residents – 6)
 - ❖ Deaths: 11

SITUATION REPORT #124

- Washington State Penitentiary (included in numbers above): 157 incarcerated (1 active) and 12 staff (3 active)
- Positivity rate for last week 11/4 – 11/10+10.7%
- Sustained increased caseload over last 3 weeks, since 10/22. Walla Walla is in the top 3 counties for news cases in the state (along with Stevens and Asotin Counties).

- Concern for rapid spread at congregated facilities; multiple outbreaks at LTC facilities.
- Cross-jurisdictional coordination with Umatilla County, OR, Benton/Franklin County, WA.
- Need to continue to monitor for behavioral health issues.
- Case investigation slowed by contacts not answering phone calls from DCH.
- Getting vaccination drive-through's set up for winter.
- Cold/flu season; respiratory symptoms may be confused with COVID and require workers to stay home.
- Highly complicated processes for storage and administration of COVID vaccine.
- 'COVID fatigue' is very high with additional challenges presented by winter; more time inside, less daylight and sunshine, etc. Need to focus on community resilience.
- Idaho hospitals at, or near, capacity. We can expect transfer of patients to Walla Walla County.
- People moving indoors due to cold; more close contacts.
- Face coverings not being worn in private despite the fact that 95% report wearing masks when in public.
- Increased pressure on systems due to spike in case numbers. Increasing risk across communities.
- Mental health challenges as schools return to remote-only learning models.
- Seeing a growing trend towards family spread.
- Delay in delivery of requested PPE as the State moves to contracted shipment delivery.
- Highly contagious nature of the virus is causing severe challenges for Long Term Care facilities.
- People are still reporting to work with mild symptoms, or with symptomatic family members.
- PSMHC having challenges with the Urgent Care drive through as testing volumes are spiraling and the lines are long, sometimes with traffic congestion.
- PPE orders from State have had longer turnaround since they moved to contracted shipment delivery; short notice on deliveries (10 minutes for the last delivery; WWEM's logistics person lives 40 minutes out)
- Several LTC facilities with positive cases; either staff or staff and residents due to congregate settings. They are working with DCH.
- YMCA shut down their childcare facility due to a COVID case.

4. Future operational plans (24, 48, and 72 hours out)

- Emergency Management is activated at **Level 2 – Limited Operations** (virtual, with no face-to-face contact).
- WWEM acting as liaison to Washington National Guard (WNG).
- WWEM continued collection of donations.
- Coordination and communication with Unified Area Command State Emergency Operations Center (UAC SEOC). Unified Command SEOC conference call on Thursdays.
- Monitor WebEOC Resource Tracker for delivery of supplies from Washington State to Walla Walla County.
- WWEM submission of new resource requests on WebEOC.
- WWEM distribution of resources.
- DCH weekend staffing.

SITUATION REPORT #124

- Weekly ESF6 Human Services weekly conference calls.
- PSMMC maintaining daily sit reports.
- EMS providers tracking PPE use with CDC PPE Burn Rate Calculator.
- Continue work with the media.
- DCH case investigation/contact tracing of positive cases.
- Ongoing communications of the State's 'Smart Start' information down to the local level to ensure local businesses understand the requirements for Phase 2 operations.
- Reopening Business Workgroup & Business/Economy (meeting every Thursday):
 - Visitor's Center kiosk on Main Street giving out masks.
 - Masks and educational postcards are being given out at hotels, short-term rentals or visitors; postcards at the Walla Walla Regional Airport for arriving passengers.
 - Salvation Army foodbank operations including information in food boxes
- DCH and PSMMC are continuing to work with Washington State Department of Corrections for cases at Washington State Penitentiary. WNG is providing testing support.
- DCH providing weekly status report to public and private schools to assist them with opening/reopening plans.
- Washington National Guard deployed to assist with testing at LTC facility to meet CMS requirements.
- LTC facilities to continue to test based on CMS requirements to test if positivity rate is over 5%.
- DCH working with LTC facilities to provide test kits and swabbing for facility wide testing.
- DCH and PSMMC Population Health continue to administer flu vaccine.
- College Place Public Schools and Walla Walla Public Schools returned to remote learning due to increase COVID cases.
- DCH agreement with PSMMC for use of Southgate Campus for isolation and quarantine has been finalized and is in use, with one person using the site as of today.
- Visitor restrictions in place at PSMMC; 1 visitor per in-patient per day.
- DCH opting into the State's contact tracing to help mitigate stress on DCH staff caused by increase in cases.
- Walgreens partnership to work with LTC's on vaccinations; application period extended through November 13th.
- PSMMC Urgent Care drive through testing operating with extended hours, 7AM – 6 PM. They are working with City of Walla Walla to improve traffic flow.
- Vaccine planning meeting today with DOH to discuss financing.
- PSMMC/DCH vaccine distribution planning meeting today.
- WWEM distributing PPE to 3 agencies today.
- PSMMC and WWEM were able to procure PAPR hoods since small N95's haven't been available.
- PSMMC reviewing their surge plans to make sure that they have sufficient staffing and beds.
- PSMMC meeting with LTC facilities to discuss coordination of transport to the hospital and what measures can be taken at the facilities.
- YMCA shut down their childcare facility due to a COVID case.
- DCH working on community concerns around cohorting positive patients/staff to meet staffing shortages.
- Whitman College is still moving forward with plans for spring semester opening; testing students upon arrival and then one week of isolation (PRC-based testing and rapid tests).

SITUATION REPORT #124

- Cathy McMorris-Rodgers, U.S. Representative for Washington's 5th congressional district, will be in Walla Walla today. Chamber of Commerce will be advocating for funding assistance on behalf of local businesses.
- DCH working on video in English/Spanish with a medical provider to reach the community about how contagious the virus is; focusing on messaging about social/holiday gathering. Cooperation needed to avoid restrictions. Social media graphics for Latinx coming out this week on Facebook.
- REDi Healthcare Coalition vaccine distribution meeting tomorrow, November 13th. Register at: <https://www.eventbrite.com/e/redi-regional-meeting-vaccination-discussion-wdoh-tickets-128665663463>
